NORTHERN DISTRICT CA -4.27.23 – OBJECTION MAGISTRATE AND REQUEST FOR NEW JUDGE - CASE NO.: 23-cv-01883-TSH

1 CGC-22-598704. . Filed by United States of America. Filed on 4/19/2023 by DOJ lawyer Samples .  
2 Plaintiff is informed that that was done by Defendants in order to remove the case from a Republican Party  
3 Judge, and place it before a Democrat Party Judge in order to accelerate bias against Plaintiff. 90% of those  
4 charged with crimes in this matter are Democrat Party public officials and their financier/beneficiaries, as  
5 proven by their financial records. This is a violation of Plaintiff's rights and of the Constitution.  
6 Additionally, much work has been undertaken in the San Francisco Superior Court and The Northern  
7 District Court Judges have shown bias, personal relationships and stock ownerships which cause a conflict  
8 of interest in each matter.

9 Plaintiff objects to Magistrate Judge Jurisdiction.

10 This case involves criminal charges of corruption, money laundering, quid pro pro payola and other  
11 crimes by the Democratic National Committee and their members, financiers and associates in political  
12 election manipulation schemes. The proposed new Court parties in this case have friendships with the  
13 perperatrors charged in this case. They, and their family members, own stocks in AIG, VALIC, ESG and  
14 other quid pro quo stock market outlets which are used to pay bribes to public figures. This case should be  
15 returned to the Republican Judge in the San Francisco Superior Court or a Republican Judge in the  
16 NORTHERN DISTRICT OF CALIFORNIA should be assigned. House Judiciary Chairman Jim Jordan  
17 and the House Judiciary Committee are now investigating the use of public agencies to harm Plaintiff, in  
18 ths case.

19 This case should remain in San Francisco Superior Court.

20 DATED this day of the filing of 2023

21 Respectfully submitted,
